PRESIDENT'S REPORT

Dear Owners

Thank you for your support over the past 9 years, and to the current board, On-Site Solutions, and the staff for their commitment.

This board and On-Site Team continue to invest in the infrastructure, sometimes with the unexpected that is out of their control, yet they can stick handle through pay the bills and manage the upkeep.

We continue with the challenging cost of insurance and rising cost of utilities, and hope for better days ahead.

The Management Discussion and Analysis Report in your AGM package outlines more of the achievements the board and management team have accomplished over the past year.

Sincerely,

Gene Dobie
President
